

# NOK Enters Partnership Agreement with Professional Soccer Team Júbilo Iwata To Share Dreams and Support the Community

NOK Corporation (Headquarters: Shibadaimon, Minato-ku, Tokyo; Representative Director, Group Chief Executive Officer: Masao Tsuru; hereinafter referred to as "NOK") has entered into a club partnership agreement for the 2025 season with professional soccer team Júbilo Iwata (Headquarters: Iwata City, Shizuoka Prefecture; President: Yukimitsu Hamaura; hereinafter "Júbilo Iwata"), which competes in Japan's J2 League. As part of this agreement, from Saturday, February 15, NOK's logo will be displayed on a signage board at the back stand of Júbilo Iwata's home stadium, Yamaha Stadium. NOK will also host a partner match for the Meiji Yasuda J2 League's 24th-round fixture against Blaublitz Akita at Yamaha Stadium on Saturday, August 2.

Júbilo Iwata operates under the purpose of "Sharing Dreams and Inspiration" and is actively engaged in addressing regional challenges and promoting local development, particularly in western Shizuoka Prefecture, where it is based. NOK Group, which also has manufacturing facilities in Shizuoka, aligns with these initiatives and, through this partnership, will collaborate on community contribution efforts, including supporting the conservation of the endangered loggerhead turtle. (Conservation efforts for sea turtles in Omaezaki City, Shizuoka Prefecture.)

# ■ About the Partnership Agreement

NOK has two production facilities in Shizuoka Prefecture, including the NOK Shizuoka Plant, a leading domestic production site for dust covers. Approximately 20% of its workforce has roots in Brazil — a country with a deep passion for soccer — playing a key role in supporting manufacturing operations. Through soccer, the company aims to foster a sense of community and strengthen regional ties. NOK will work alongside local residents to support Júbilo Iwata and contribute to regional revitalization.
